For information about the course click on the link provided and then on course description

All the courses listed in this document are also taught in Spanish, with a different timetable. However, Erasmus and exchange students can only enroll in the Spanish group if they prove to have level B1 of Spanish at the time of application.

For semester mobilities, course 10013 CONSTRUCTION MATERIALS III can be taken on a semester basis, with a load of 4.5 credits, this applies to both semesters. Annual mobilities will take the whole course. No other annual course taught in Spanish or English can be taken on a semester basis.

Note:

Semester A = Winter/Fall semester Semester B = Spring/Summer semester Semester AB = Full year
